

When You Vote, Remember the Alamo

Hi, I am Makinzie Alamo and I am happy to announce my candidacy for the NEA Board of Directors! I have been involved in KNEA/NEA-SP for 2 years. I have been involved at the local, state, and national level. I have been a part of my local chapter at Kansas State University for two years. During those two years, taking a few of my ideas my chapter has seen positive growth. I am currently the President-Elect for KNEA-SP and will become the President of KNEA-SP in late July. Being a part of KNEA/NEA-SP it gave me a chance to be a part of the first ever NEA-SP Student Organizer Fellowship. During this fellowship, it has taught me leadership skills from a national level, to find the concerns that future educators have with going into the profession, and gave me the courage to run for NEA Board of Directors. Being active in the organization has taught me leadership skills, concerns of going into the education profession and that our voices matter as a student member. I want to represent the future of NEA through the Student Program on the Board of Directors.
