

Bekah is going into her fourth year at Eastern Michigan University studying Early Childhood Education. She is a dedicated member of her school's marching band, Kappa Kappa Psi chapter, and AEYC chapter. During this past school year she worked tirelessly with the rest of her chapter to resurrect the NEA Student program at Eastern. She was elected Vice President and will continue to serve in that position in the fall. Bekah was given the incredible opportunity to work hand in hand with many professionals in the NEA and MEA as well as other dedicated members of the NEA-SP as an NEA Student Fellow for the past. Bekah feels this program is important because it gives students the opportunity to extend their pre-service training and make the

transition easier and more comfortable. She also loves being surrounded with so many inspiring past, current, and future educators. If Bekah is elected to the Resolutions Committee she hopes that she will be able to make changes that assist every member of the NEA-SP in making their pre-service experience the best it can be. She also hopes to connect with pre-service and current professionals around the country. Her number one goal is to make the NEA-SP better known throughout the country.
