

Hi there! My name is Paige Wright and I am an incoming junior at the University of South Dakota. I am studying Secondary History Education with a minor in Theatre. I have served South Dakota Education Association in a variety of different levels. My roles included local chapter Treasurer, state student program President Elect, and represented South Dakota as a delegate at the 2015 NEA RA in Orlando, Florida!

Currently, I am the President for both my local and state student SDEA. Outside of NEA/SDEA, I am busy with being a School of Education Student Ambassador, sister of Kappa Alpha Theta sorority, Student-Theater Co-Op member, National Association for the Education of Young Children member, and History Honor Student. I love leadership opportunities (especially if they involve my passion- education!) Moreover, working with others and building connections fuels my ongoing goal, that is, to inspire young hearts and minds across the world. The memorable Gandhi once said, "Be the change you want to see in the world." I plan to do just that with the help of the NEA-SP and Resolutions Committee. Let's inspire the world, motivate children to reach their full potential, and be great, together.
