/a The School Improvement State Grants program is no longer authorized as a separate program. Instead, the set aside for state school improvement activities under Title I-A is increased from 4 percent to 7 percent.

/b Not more than 20 percent would be available for assessment system audit state grants. Should Congress appropriate more than \$369.1 million for State Assessment Grants, then the Secretary is authorized to award grants competitively for purposes similar to those supported under the existing Grants for Enhanced Assessment Instruments program, which is consolidated here.

/c The Secretary may also award grants competitively to support the Innovative Approaches to Literacy program.

/d From the amount available, the Secretary must reserve not less than 26 percent for Presidential and Congressional Academies; and, not more than 74 percent for national activities.

/e From the amount available, the Secretary must use not less than 74 percent for the Supporting Effective Educator Development program; not less than 22 percent for the School Leader Recruitment and Support program; not less than 2 percent for technical assistance and evaluation; and, not more than 2 percent for the STEM Master Teacher Corps program.

/f From the amount available, 6.5 percent must be reserved for national activities (National Professional Development Project and the National Clearinghouse for English Language Acquisition and Language Instruction Educational Programs), except that not more than \$2 million of the amount available may be for the National Clearinghouse.

/g Local educational agencies (LEAs) receiving an allocation of \$30,000 or more must use not less than 20 percent of the funds to support one or more activities under Well-Rounded Educational Opportunities; not less than 20 percent of the funds to support one or more activities under Safe and Healthy Students; and, a portion of the funds to support one or more activities under Effective Use of Technology, although not more than 15 percent of the funds may be used for technology infrastructure. LEAs receiving an allocation less than \$30,000 must meet only one of the requirements above.

/h From the amount available, the Secretary must use not more than 80 percent for the Grants for the Replication and Expansion of High-Quality Charter Schools program; not more than 9 percent for activities enumerated in section 4303(h); and, the remaining funds for technical assistance, dissemination, and evaluation.

/i The Secretary must use not less than 95 percent of the available amount to award grants competitively for the Promise Neighborhoods and Full-Service Community Schools programs. For each fiscal year, the Secretary must award not fewer than 3 grants under Promise Neighborhoods, and not fewer than 10 grants under Full-Service Community Schools.

/j The Secretary must use a portion of the funds made available for the Project SERV program.

/k The Secretary must make awards annually for each of three programs: Assistance for Arts Education; Ready to Learn Programming; and, Javits Gifted and Talented Students Education.

/l Includes the Small, Rural School Achievement Program (subpart 1) and the Rural and Low-Income School Program (subpart 2).

/m The Secretary must reserve 20 percent of the funds made available to make grants under Native American and Alaska Native Language Immersion Schools and Programs.

/n To be jointly administered by the U.S. Department of Health and Human Services (HHS) and the U.S. Department of Education. HHS will serve as the fiscal agent.
